Sir,

Subject Revision of the grade pay of the Additional Assistant Draftsman of the Engineering Section of City Municipality, Mysore.

I write to state that Government, while sanctioning the re-organisation of the Engineering Section of this Municipality as per G O. No. L. 16424-7/M1 11-47-89 dated 30-4-48, (copy enclosed) accorded sanction for the post of an additional draftsman on Rs. ~~40~~ 40-5/2-55. During the general revision of the scales of pay of all the non-gazetted staff of this Municipality, the pay of the already existing Assistant Draftsman was revised to Rs. 40-2½-50EB-5-1(in par with the scales of pay in the Public Works Department The post of additional Assistant Draftsman sanctioned subsequently in G O. dated 30-4-48 was not included in the proposition statement prepared in the revised grade, as the latter had already been sent to Government on 2-1-48 The Draftsman are lent officials of the Public Works - Department As such their grade pay should necessarily correspond with the departmental scale The post of additional Assistant - Draftsman was filled by the posting of a hand of Public Works Depaftmer during 1949 The official should no doubt, get the pay benefit of his - parent department but he cannot be paid in the Municipality unless the grade pay and stage of increments coincide with the grade pay of the parent Department There is no difficulty to pay the official up to Rs 55/- in the existing grade of Rs 40-5/2-55 but the difficulty arises only when the incumbent will become eligible to get -

Sir,

Subject - Revision of the grade pay of the Additional Assistant Draftsman.

With reference to your letter No L 3460 dated 16-2-52 on the above subject, I write to state that as the pay of the official at the time he was posted by the Chief Engineer was corresponding to one of the stages of the scale ~~xxy~~ of Assistant Draftsman, the difference in scale is reported by Municipal - Engineer to have not been noticed then (vide copy enclosed). Hence there has been delay in sending up the proposal to revise the grade pay of the Additional Assistant Draftsman from Rs 40-5/2-55 to 40-5/2-50 EB-5-100.

I request that sanction of Government may kindly be obtained to the proposal early.

Yours faithfully,

Office of the Municipal Engineer
Dated 10th Feb. 1953.

Submitted to the Commissioner, C M.C Mysore.

Subject - Revision of the scale of pay of the Assistant Draftsman of the Municipal Engineering Section.

With reference to Memo No C8 P R 239/51-52 dated 28-11-52 on the above subject, it is to be reported that the scale pay of the Additional draftsman sanctioned by Government was Rs. 40-5/2-55 against which one additional draftsman was posted by the Chief Engineer in persuance of a request made by this office against the sanctioned vacancy during the year 50. But prior to this one local candidate had been appointed against this vacancy till 9-11-49 from 1-6-49. Since the pay of the official at the time of his duty report to the Municipality was corresponding to one of the revised scales of pay of the Draftsman and by clerical oversight the matter of revision of scale pay of the additional draftsman was not taken notice off. With a view to have parity of scales of pay amongst the draftsman of the Municipality with that of the draftsman of the Chief Engineer's Office and in view of the post being got filled up by hands lent from the Government P.W.D proposals have now been made for revision of scale pay of the additional draftsman (Assistant) to the scale of 40-2½-50 EB. 5-100. The delay in submitting the above proposal is mainly due to clerical oversight which may kindly be condoned and action taken to obtain sanction of Government for the revision of the scale of pay as recommended to by the Municipal Council in their resolution No 1153 dated 8th March 1952.
